HELP FOR REFUGEES

DEUTSCHE TELEKOM HELPS REFUGEES – WITH SEVEN IMMEDIATELY EFFECTIVE MEASURES

	WiFi-Hotspots	Free WiFi for refugees in initial reception facilities
	Real Estate	Provision of unutilized DTAG¹ real estate as initial reception facilities / refugee camps
	Internships & scholarships	Offering of internships & HfTL²-scholarships for refugees
	Refugee portal	Refugee portal with general & local information on the asylum process & living / working in Germany
	Employee placement	Placement of DTAG¹ civil servants to support BAMF³
	Employee engagement	Involvement of Telekom employees & support of refugee initiatives by employees
	Cooperations	Cooperations with companies & organizations to pragmatically help refugees

¹ Deutsche Telekom AG

³ Federal Office for Migration and Refugees

² University of Telecommunications Leipzig

OUR MISSION

OUR CONTRIBUTION IS CONTINUING IN 2016 AND WE ARE FOCUSING ON THE INTEGRATION OF REFUGEES

- The objective of the DTAG¹ refugee aid is **pragmatic, quick and non-bureaucratic help** based on our **core competencies as a telecommunications provider**.

- We also put great importance to sustainable support, especially regarding a **long-term integration of refugees**.

- Through the work of our Task Force the **quality of life of refugees is improved**. We help the refugees with our digital products at arrival and during further integration in Germany beyond the initial reception camps.
