refugees assisted from **charter flights** of therapeutic foods, tents, mats, water sanitation and health kits

INNOVATION IN HUMANITARIAN SUPPLY CHAINS

Skilled UPS logisticians assessed capacities of ports, roads and airports among key supply lines as part of the **World Food Programme's Logistics Emergency Team**.

UPS is a founding member of the **UNHCR Innovation Circle** that has introduced the **UPS Relief Link** program enhancing last-mile tracking of relief supplies to ensure equitable distribution of food and non-food items.
